Questions concerning one's impression of the class as a group:

- How is your overall impression of the class?
- What is your impression of the class as a group and the pupils' network of relationships?
- What do you do when the class gets loud?
- How do you rate the pupils' average level of cognitive development?
- How do you rate the performance level of the class?

Questions about lessons

- How do you start your lessons?
- What methods work well for you?
- What rules have you introduced?
- Which routines have you introduced in your lessons?
- How do you arouse the pupils' interest in the subject?

Questions about individual pupils

- How do you experience each pupil in the class?
- What do you know about the performance of each pupil?
- What do you know about the personality of each pupil?
- What do you know about the background of each pupil?

Questions about possible ways to react to certain forms of behavior

- Are there any sanctions / rewards you use frequently?
